Secretary to Government

MAKING: PRINTED AND PUBLISHED BY THE GOVERNMENT, GOVERNMENT PRESS

It is to be pointed out here that water is not needed.

13) Remember that there is a limit for the supply of the service. If the service is depleted, your service is likely to be cut off and the responsibility will not be borne by any company.

(12) Please arrange to pay off the bills soon after they are generated. The unemployment cannot run the water works without money.

(c) When a tug loses balance the officer in charge of the water works, He will have the defect corrected at a suitable port.

(7) Look upon the municipal water works staff as the servants of the city project and demand service from them whenever needed.

(2) Your supply is likely to be cut off if you do not cooperate with and assist the authorities.

Every year your service is discontinued and re-commenced you will have to pay charges for discontinuance and re-commencement. It would be to your interest to see that the service is not discontinued except in case of death or total disability.

(8) When a pipe line is leaky, inform the utility to change it as soon. Otherwise, the residents of any leaky pipes, the health of all the community including that of your own, would be jeopardized. You should be sure that the protected water supply of the new is not compromised.

Q. Do you know how much value it would
attach to them?

Two drops per second in 5 plants a day.
Two drops per second in 5000 gallons a day
Drop breaking into a stream, 50 gallons
Droplets into a stream, 50 gallons
Droplets into a stream, 200 gallons
